

MusIQ Club Level 3: Theory Worksheet

Triads on Scale Degrees

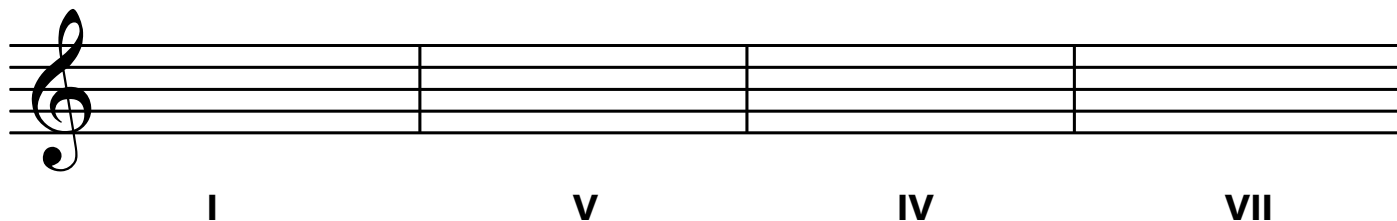

Remember our C Major Scale, with its 7 different scale degrees? We can build triads on each note of the scale. A Triad is a group of 3 notes: A ROOT note, a third above the ROOT note, and a fifth above the ROOT note. They look like little snowmen sitting on the grand staff!

Copy the Triads on the scale degrees of the C Major Scale from above.

Draw the triad that goes with the roman numeral shown for the key of C Major.

Label each triad below with the correct roman numeral for the key of C Major.
