

MusIQ Club Beginner Level 2A: Note Values – Quarter, Half, Dotted Half and Whole

How many beats are each of these notes worth?

$$\text{Quarter Note} = \underline{\quad} \quad \text{Half Note} = \underline{\quad} \quad \text{Dotted Half Note} = \underline{\quad} \quad \text{Whole Note} = \underline{\quad}$$

How many beats are there in each of the following equations?

$$\text{Dotted Quarter} + \text{Quarter} + \text{Quarter} = \underline{\quad} \quad \text{Quarter} + \text{Dotted Half} - \text{Whole} = \underline{\quad}$$

$$\text{Whole} - \text{Half} - \text{Quarter} = \underline{\quad} \quad \text{Half} + \text{Dotted Half} - \text{Quarter} = \underline{\quad}$$

$$\text{Dotted Half} + \text{Whole} - \text{Half} = \underline{\quad} \quad \text{Whole} - \text{Dotted Half} + \text{Quarter} = \underline{\quad}$$
